EUR 250,000,000.00 | Mateus Jose da Costa -> Vision Banco PY

All compliance checks passed | Funds verified | Route confirmed

22 January 2026 13:27:02 UTC+01:00

PENDING - INFRASTRUCTURE SETUP REQUIRED

Transfer approved. Settlement pending dedicated infrastructure deployment.

- 1. Dedicated VPS / cloud node required to run the bilateral settlement engine
- 2. Node must be configured with static IP and SSL certificate for peer authentication
- 3. API keys and HMAC secrets must be provisioned in isolated environment
- 4. Peer webhook endpoints must be live and reachable before execution
- 5. Once infrastructure is active, transfer executes automatically within seconds

NEXT STEPS TO COMPLETE SETTLEMENT

Deploy bilateral node on dedicated VPS (min. 2 vCPU / 4GB RAM)	IN PROGRESS
Configure SSL + static IP + firewall rules for peer handshake	PENDING
Register VPS endpoint with IP Bilateral Network registry	PENDING
Provision API credentials and sync HMAC keys with Novo Banco	PENDING
Confirm webhook reachability with Vision Banco Paraguay	PENDING
Execute settlement - funds credited within 3-5 seconds	AWAITING
